**Reference – Luiz Cruz**

November 12th, 2018

To whom in may concern,

I highly recommend Luiz Cruz as an eligible candidate for employment. Luiz has worked for Mako Oilfield Services LLC for the past months as a Senior Project Scheduler, Luiz was contracted to Transocean Newbuild Group based in Houston. He was based at the Transocean office in Houston responsible overseeing a Newbuild Project Schedule, his responsibility ranged from verifying and reporting the status of the Project, Attending Kick-off Meeting, Review of Primavera Schedule and meeting with the Customer.

Luiz has good communication skill and in addition to this he is extremely organized with Summary Reports being issued to Transocean on a weekly basis for their review. He worked independently and is able to follow and ensure that the job assigned was taken up and completed. He is quite flexible and willing to work on any project assigned to him.

Luiz would be a tremendous asset for any company and has the highest recommendation of mine. If you have any further questions about him, and his previous experience and qualifications, such as job performance, please feel free to contact me.

Sincerely,

Reg Powell
