To Whom it may concern,

I have had the privilege of working Luiz Cruz on the JSW Plant Mill Expansion in Baytown, Texas. Luiz is very efficient in the use of the scheduling Software package Primavera P6. His knowledge of the software, I would put at excellent. Any layouts we would ask for he was able to provide for us at a moment's notice. He is very friendly and willing to help others and is self-motivated at getting the job done.

If you require any additional information, please feel free to contact me at; Kalishml@middough.com.
